At BARBRI we're committed to helping students from all backgrounds get the opportunity to enjoy a successful and rewarding career in the legal sector. While the SQE exam is improving access to the legal profession, we recognise that many people are not able to fully self-fund their studies up front.

We offer a range of different funding options for BARBRI prep courses from payment plans and student loans to help remove financial barriers from success. Keep reading to learn more. .

Did you know, if you took SQE1 Prep with us, you are entitled to a **£500 alumni discount** on your chosen BARBRI SQE2 Prep course. This is applicable to both SQE2 Prep course options.

Bill Your Employer

Have you spoken with your employer about potential funding options? Most employers have a budget for employee learning and development. Depending on your current role and employer, it is worth exploring if this option would be available to you.

If your employer has agreed to fund your SQE2 Prep course, you have the option to send the invoice to them directly.

Simply enrol using our 'Bill my employer' link on the course enrolment page.

Input your details and your employer's information.

An invoice will be sent to your employer with information on how to pay.
